Reason there are fewer than three comparable properties

I, the agent or agent's representative for the property offered for sale, did not take the sale price of three comparable properties into account in determining the estimated selling price for the property because I believe that fewer than three comparable properties were sold within the relevant period.

Explain the reason the agent or agent's representative believes that fewer than three comparable properties:

We have chosen one comparable property for this home as there was only the one sold in the last 6 months within 2kms that replicate the number of bedrooms, bathrooms or car spaces as well as a very similar style, condition and land size for this home.

Sale outcome

The sale price of the property must be included in this section within seven days after the unconditional sale of the property unless an application for an exemption is pending or an exemption has been granted.
