Reason there are fewer than three comparable properties

☒ **I, the agent or agent's representative for the property offered for sale, did not take the sale price of three comparable properties into account in determining the estimated selling price for the property because I believe that fewer than three comparable properties were sold within the relevant period.**

Explain the reason the agent or agent's representative believes that fewer than three comparable properties:

[*Insert N/A if there were three comparable properties*]

With limited directly comparable sales available, 28 Oakview Boulevard has been selected as the most relevant guide based on the overall style, size and offering of the home. While other Narre Warren North properties have achieved results within a similar price range, many are positioned on significantly larger allotments of approximately 2,000sqm or more, making them less directly comparable. The proposed range for 11 Lemon Tree Lane has therefore been established with consideration to the closest available evidence, along with the home's quality, presentation and overall offering.
