Reason there are fewer than three comparable properties

☒ **I, the agent or agent's representative for the property offered for sale, did not take the sale price of three comparable properties into account in determining the estimated selling price for the property because I believe that fewer than three comparable properties were sold within the relevant period.**

Explain the reason the agent or agent's representative believes that fewer than three comparable properties:

[*Insert N/A if there were three comparable properties*]

At the time these comparables were picked they were within a 6-month period and have since fallen out of that period. The agent believes that 3/28 Roderick Street and 3/2 Boronia Grove remain the most comparable properties at this stage.
