Reason there are fewer than three comparable properties

☒ **I, the agent or agent's representative for the property offered for sale, did not take the sale price of three comparable properties into account in determining the estimated selling price for the property because I believe that fewer than three comparable properties were sold within the relevant period.**

Explain the reason the agent or agent's representative believes that fewer than three comparable properties:

[*Insert N/A if there were three comparable properties*]

Fewer than three comparable properties were available due to the property's unique features, including 1 bedroom, 1 bathroom and 1 car space for a single level unit. As a result, alternative market data was used to determine the ESR.
