Reason there are fewer than three comparable properties

☒ **I, the agent or agent's representative for the property offered for sale, did not take the sale price of three comparable properties into account in determining the estimated selling price for the property because I believe that fewer than three comparable properties were sold within the relevant period.**

Explain the reason the agent or agent's representative believes that fewer than three comparable properties:

[*Insert N/A if there were three comparable properties*]

The agent reasonably believes that due to the size and build quality of this property, only two comparable sales had occurred within the 6 months period from listing and within a 2km radius. Internal dimensions for the above property were sourced from RP Data.
